In Attendance: Emma Braun, Peggy Geisler, Greg O'Neill, Stacey Garlic, Bet Wong, Charlotte McGarry, Kate Culhane, Crystal Mills-Selby, Erin Scharp, Juanita Mireles de Aguilar

- Presentation from PAM Rehab
- Assets:
  - o Feedback strategy goes hand in hand with the deployment strategy
    - Could develop a tool for providers, a community facing one, etc.
- Health Literacy Month
  - o People could post personal stories through facebook
    - Use CHWs to post personal stories
    - Adriana has someone who is interested
    - Breast Cancer Coalition may be interested
  - o Send out advocacy day to other list servs

- Adriana can share the link to the CHW Association list serv
  - Physician perspective
- Should do a sign off disclosure to make sure people are ok with us sharing their stories
  - Need a simple disclosure agreement
  - Charlotte can send a sample of this that we can use as a baseline
- Need to give clear guidelines on what information is appropriate and what is not
- Panel
  - CEOs not be relatable – but could be a good way to bring in partners
  - Focus on seniors and aging for a panel?
  - How to navigate healthcare – workshop
  - Grandparents that are raising grandchildren
  - How to navigate healthcare once discharged
    - We heard that discharge instructions are confusing from others
- Partner updates:
  - HLCD does not have health insurance projects/materials
    - Quality insights or Westside may be a good place to find these
      - Connect with Westside to see if we can reinvigorate some of this collateral
    - CBO materials to hand to community members
  - Crystal can test out the materials for this
    - Will be attending the conference at DSU
